Young People's Mental Health and Well Being Counsellor

We are looking for a creative confident and dynamic individual to join our diverse team of dedicated youth and family support workers to offer mental health and well being support to individuals and groups at All Saints Youth Project (**ASYP**) in the heart of Kings Heath

ASYP was established in 1988; it is a quality community-based provision based in All Saints Centre that delivers a range of support and activities for young people aged 11 to 21 years old (up to 25 years with additional needs) and their families. It has grown from an established history of open youth work at All Saints Church to be a major youth project for young people and their parents. We have a strong commitment to being an inclusive project open to all young people, regardless of ability or background, to support their transition from adolescence to adulthood. We provide a range of support programmes which enables us to deliver an integrated approach by addressing the needs of the family. ASYP is headed by a voluntary management committee and board. Our work is maintained through ongoing fundraising from a range of sources including grants and trusts.

If you have experience and are passionate about supporting young people with their mental health and well being then we would welcome an application from you.

We are committed to equal and fair recruitment and selection of staff across all areas of our work. We are committed to being good employers and to have a staff that reflects the diverse nature of our local community and our city. We particularly encourage applications from disabled, Black, Asian and Minority Ethnic (BAME) candidates, as these groups are underrepresented in the staff team

Hours – 36 hours per week, days, evenings and times to be negotiated.

Annual Salary: £22,500 - £23,500 (depending on experience) 25 days annual leave (including bank holidays)

Shortlisted candidates will be contacted with a time for a panel interview on Thursday 10th March 2022
Candidates who score well at the panel interview will then be invited to run a relevant activity with a group of young people on Tuesday 15th or Thursday 17th January 2022 between 6.30-8 pm. The views of the young people will be taken into account when making the final decision.
